

HOW DOES PRODEN DENTALCARE® POWDER WORKS?

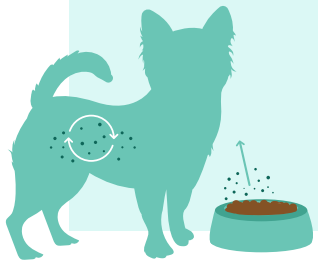

Easy to Use

ProDen DentalCare® Powder is made from a specific kelp and added to your pet's food daily

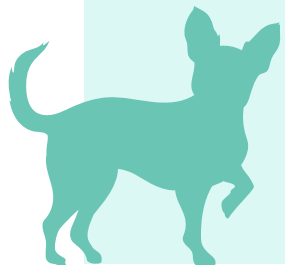

Results within 2-3 Weeks

The results is visibly whiter, cleaner teeth and a fresher breath. The effect can be seen for as long as the product is being used.

Biofil Busting

The natural ingredient works through the saliva, where it prevents new plaque from forming and softens existing tartar

Improves Oral Hygiene 24/7

ProDen DentalCare® Powder promotes good oral health around the clock while you do fun things together!

WORKS CONTINUOUSLY
