

DENTAL WIPES

ProDen DentalCare® Dental Wipes are a solution with antimicrobial activities reducing the plaque, dental calculus and tartar buildup on dog's teeth over time. Dental wipes also reduce bacteria that cause bad breath.

Product Facts:

For Dogs

Active Ingredients:

Chlorhexidine Gluconate.....0.1%

Other Ingredients:

Water, Glycerin, Propylene Glycol, Polysorbate 80, Methylparaben, Propylparaben, Mentha Piperita (Peppermint) Oil, Spearmint Oil, Sodium Bicarbonate, Citric Acid.

Directions For Use:

With one hand, lift your dog's lip to expose the teeth. With the other hand, gently wipe the teeth and gums from front to back on both sides using the dental wipe. Recommended use, twice daily or after meals.

Average Supply:

25 Days
